NEWSLETTER TRIVIA

We want to encourage all residents to read the newsletter. You will find 10 questions within the newsletter. Write down your answers, along with your name and address. Bring the information to the office. At the monthly board meeting we will randomly choose an answer sheet and if all the answers are correct, that resident will receive \$30 off the next month's HOA fee.

NEIGHBORHOOD WATCH NEWS

Come meet your neighbors and learn more about Neighborhood Watch

Meeting the first Tuesday of every month at 6:00pm.

At the December 4th dinner, we enjoy great barbeque from Slaps, a table of giveaways by our community policeman, drawings for 12 dusk-dawn lights and one 4 motion sensor package. 28 people were in attendance. Thanks to all who help set up and take down. Our great community policeman has resigned from the force and will be moving to Florida. Sorry to lose Brian, he was one of the best.

URPOWER Solar Lights 8 LED Wireless Waterproof Motion Sensor Outdoor Light for Patio, Deck, Yard, Garden with Motion Activated Auto On/Off (4-Pack)

- **UNIQUE DESIGN:** We designed the internal circuit diagram of the lamp beads by ourself. There are positive and negative pole directions on the bottom of our LED, which is different with those lights on the market.
- **SUPER BRIGHT&LONG WORKING TIME:** Compared with other common 4 or 12 led solar lights, we designed our solar lights with 8 led lights, which is brighter than 4 led and working longer than 12 led.
- **WEATHER RESISTANCE:** IP64 waterproof and heatproof, solar powered lights, suitable for most kinds of weathers. Great outdoor light for your garden, yard, aisle, porch, patio, or driveway etc...
- **AUTOMATED SWITCH:** Turn on at night when motion sensor detected , and automatically off after motion stops. sensing range of 10 feet with a 120 degree sensing angle.
- **SOLAR PANEL LIFE SPAN:** 5 years - LED Life Span - 50000 hours only takes 6-8 hours to fully charge.

TriGlow LED Dusk-to-Dawn A19 Bulb, 9W (60W Equivalent) **800 Lumen, Non-Dimmable, Dusk-to-Dawn LED Bulbs**

SAVE MONEY: 9 Watt bulbs replaces 60 Watt incandescent equivalent, saving you 85% in energy costs!

DUSK TO DAWN: These light bulbs feature automated built in dusk to dawn sensor that will automatically turn on and shut off based on whether or not there is daylight.

The Neighborhood Watch will come and install the light for you. Cost is \$11.00. Call the office 913-321-2471 for more information.

MINUTES OF THE BOARD OF DIRECTORS
THE HOMES, INC.
December 17, 2018

The regular monthly meeting of the Board of Directors of The Homes, Inc. was called to order at 6:00 p.m. on December 17, 2018.

Present were: Effie Barber, Beatrice Arce, Jerry Demeyer and Ray Olsen, Board Members; Elizabeth Bothwell, Manager; Greg Goheen, attorney; and Karen Brokesh, Transcriber. Karen Anver was absent.

Ten stockholders and residents attended the meeting.

The stockholders and occupants were welcomed to the meeting. All persons in attendance were asked to hold their questions and comments until after the finish of regular business at which time anyone who wishes to speak will be allowed to make a statement.

All attendees to state their name and address so that the minutes can accurately reflect all comments made during the open session. Everyone was asked to hold their comments until executive session or to speak with the manager one-on-one if they did not want their comments reflected in open session.

Stockholders are reminded that if they have a problem with their unit, to please report it to the office during regular business hours.

It was announced that the work order report for November, 2018 have been posted.

Minutes of the regular meeting of November 19, 2018 and November 19, 2018 executive session had previously been distributed to all board members. Ray Olsen moved to approve the minutes as submitted. Seconded by Beatrice Arce. Carried unanimously.

Treasurer Olsen reported that he has reviewed the financial statement for the month of November, 2018 and found them to be in good order. Effie Barber moved to approve the financial report. Seconded by Beatrice Arce. Carried unanimously.

There were no stockholder change requests for approval by the manager this month.

There were no stockholder change requests for board approval.

Effie Barber read the stock transfer approvals as follows:

ADDRESS	TRANSFER FROM	TRANSFER TO
3020 N. Allis	The Homes, Inc.	Stephanie Walker
139 Viewcrest	Cristal Mora	Oseas Buezo and Maria Peralta

After being informed that the stock transfers were in order, it was moved by Ray Olsen and seconded by Beatrice Arce that the Corporation waive its option to purchase the shares of stock and approve transfer of same. Carried unanimously. The manager was reminded that all original signed stock certificates must be stored with the credit union if the stockholder has an outstanding loan.

Reports and Announcements:

There was no report from the Neighborhood Watch committee.

The winner of the stockholder trivia drawing is 33 Summitcrest who will receive \$30.00 of next month's maintenance fee.

The winners of the holiday lights contest are:

862 Manorcrest, 12 Summicrest, 130 Viewcrest, 108/110 Viewcrest, 873 Manorcrest, 38 Summitcrest, 7 Craigcrest, 2/4 Summitcrest, 3117 N. Allis, 3164 N. Allis

Old Business to be Discussed:

Approximately ten residents have signed up for security cameras. Manager will move forward with getting group pricing for the cameras and begin installing them. Stockholders who wish to have security cameras installed outside their units should contact the office. The Homes will install and maintain the cameras.

New Business to be Discussed:

The first half of the real estate taxes have been paid for 2018-19 in the amount of \$99,143.28. The second half of the taxes will be due to be paid in May, 2019 making the total taxes for the year \$198,286.56. This is an increase of 35.5% from last year. The manager distributed a history of the annual real estate taxes to show the increases to the taxes over the last eight years. The corporation currently has \$84,000.00 in savings at the Credit Union to use toward the first half of the tax payment. Manager plans to protest the tax increase. In order to meet future financial obligations, the board discussed increasing the maintenance fees. A \$20.00 increase would increase revenue \$82,800 annually. Ray Olsen moved to increase maintenance fees \$15.00 per month starting February 1, 2019. Seconded by Beatrice Arce. Carried unanimously. The pro rata homestead tax will increase to \$579.00.

Effie Barber moved to set the date of the annual meeting for Friday, March 8, 2019. Seconded by Beatrice Arce. Carried unanimously.

Jerry Demeyer moved to mail nomination forms for the annual meeting on or before January 18, 2019. Seconded by Ray Olsen. Carried unanimously.

Jerry Demeyer moved that all nomination forms must be returned to the office no later than February 1, 2019. Seconded by Effie Barber. Carried unanimously.

Effie Barber moved to send the notice of the annual meeting for February 8, 2019. Seconded by Jerry Demeyer. Carried unanimously.

Comments from Directors and Attorney:
None.

Comments from Stockholders:
Jamie Waltrip asked about the newsletter being posted online.

Shirley Elmore thanked maintenance for their work on her unit recently.

Tyreeta Byers expressed interest in the security lights.

No further business to come before the board the board adjourned into executive session.

EFFIE BARBER, SECRETARY

APPROVED:

JERRY DEMEYER, PRESIDENT

2. What number do you call for potholes?

FREQUENTLY ASKED QUESTIONS ABOUT CARBON MONOXIDE

What is Carbon Monoxide? Carbon monoxide, or “CO,” is an odorless, colorless gas that can kill you.

Where is CO found? CO is found in fumes produced any time you burn fuel in cars or trucks, small engines, stoves, lanterns, grills, fireplaces, gas ranges, or furnaces. CO can build up indoors and poison people and animals who breathe it.

Have your heating system serviced annually

What are the symptoms of CO poisoning? The most common symptoms of CO poisoning are headache, dizziness, weakness, upset stomach, vomiting, chest pain, and confusion. CO symptoms are often described as “flu-like.” If you breathe in a lot of CO it can make you pass out or kill you. People who are sleeping or drunk can die from CO poisoning before they have symptoms.

Who is at risk from CO poisoning? Everyone is at risk for CO poisoning. Infants, the elderly, people with chronic heart disease, anemia, or breathing problems are more likely to get sick from CO. Each year, more than 400 Americans die from unintentional CO poisoning not linked to fires, more than 20,000 visit the emergency room, and more than 4,000 are hospitalized.

How can I prevent CO poisoning in my home? Install a battery-operated or battery back-up CO detector in your home and check or replace the battery when you change the time on your clocks each spring and fall. Place your detector where it will wake you up if it alarms, such as outside your bedroom. Consider buying a detector with a digital readout. This detector can tell you the highest level of CO concentration in your home in addition to alarming. Replace your CO detector every five years.

Have your heating system, water heater, and any other gas, oil, or coal burning appliances serviced by a qualified technician every year.

Do not use portable flameless chemical heaters indoors.

If you smell an odor from your gas refrigerator have an expert service it. An odor from your gas refrigerator can mean it could be leaking CO.

When you buy gas equipment, buy only equipment carrying the seal of a national testing agency, such as Underwriters’ Laboratories.

Make sure your gas appliances are vented properly. Horizontal vent pipes for appliances, such as a water heater, should go up slightly as they go toward outdoors, as shown below. This prevents CO from leaking if the joints or pipes aren’t fitted tightly.

Have your chimney checked or cleaned every year. Chimneys can be blocked by debris. This can cause CO to build up inside your home or cabin.

Never patch a vent pipe with tape, gum, or something else. This kind of patch can make CO build up in your home, cabin, or camper.

3. What day and time does the Writing Group meet?

Never use a gas range or oven for heating. Using a gas range or oven for heating can cause a build up of CO inside your home, cabin, or camper.

Never use a portable gas camp stove indoors. Using a gas camp stove indoors can cause CO to build up inside your home, cabin, or camper.

Never burn charcoal indoors. Burning charcoal – red, gray, black, or white – gives off CO.

Never use a generator inside your home, basement, or garage or less than 20 feet from any window, door, or vent.

When using a generator, use a battery-powered or battery backup CO detector in your home.

Eckan Weatherization Grant

The Weatherization Assistance Program is the nation's LARGEST residential energy efficiency program. Very simply, weatherization improves heating efficiency and fuel savings by ensuring your home holds in heat and air-conditioning, while keeping hot and cold air out. At NO CHARGE to the client, income eligible families receive a comprehensive home assessment which includes repair or replacement of heating systems, insulation, and air-sealing measures. Income guidelines apply. Contact, ECKAN Weatherization, P.O. Box 40, Ottawa, KS 66067, (785) 242-6413.

The Homes has hired a part time grounds inspector to make weekly inspections of the entire neighborhood. They will be documenting violations and taking pictures. They will also document issues that the Homes needs to address such as peeling address numbers, trees that need to be removed or trimmed, damaged guttering, cement repairs along with other issues. Violation letters will be sent out daily and follow up to the violations will be conducted weekly.

THE ONLY ITEMS THAT ARE ALLOWED ON PORCHES ARE-

LAWN CHAIRS

LAWN TABLES

PATIO/DECK BOXES

FLOWER POTS

GRILLS

BICYCLES

4. When are applications for Learn to Earn due?

HISTORIC NORTHWEST MIDTOWN ASSOCIATION

Presents

Learn to Earn Spring is back!

This year's spring program will start February 13th and end May 15th. We want to encourage students to be creative and innovate not only in their projects but in how they interact with the class as well. We want the students to start taking charge of the class; how it's set up, how they learn. Our goal is to have the class increasingly run by the students with the adults there to simply facilitate and help in any way they can.

Applications are due on January 25th. Are you interested? Have a youth you want to get involved? Then pick the best means of applying below.

TO APPLY ONLINE:

1. CLICK ON THE LINK FOR ONLINE SUBMISSION BELOW. FILL OUT THE REQUIRED INFORMATION AND HIT SUBMIT. YOUR APPLICATION WILL AUTOMATICALLY SUBMIT.
2. DOWNLOAD THE APPLICATION BELOW AND READ THE COVER AND POLICIES & PROCEDURES SECTIONS.

TO DOWNLOAD AN APPLICATION:

1. CLICK ON THE DOWNLOAD APPLICATION LINK.
2. DOWNLOAD AND COMPLETE THE APPLICATION.
3. JUMP TO STEP 2 BELOW

HARD COPY:

HARD COPIES OF APPLICATIONS ARE AVAILABLE AT THE CHC ON 803 ARMSTRONG, KANSAS CITY, KS 66101

1. COMPLETE THE APPLICATION.
2. EITHER UPLOAD YOUR HARD COPY APPLICATION AND SEND TO: info@northeastkck.org OR MAIL IT TO: Learn to Earn After School Youth Program
C/O THE HISTORIC NORTHEAST MIDTOWN ASSOCIATION, INC.
PO BOX 172403
KANSAS CITY, KANSAS 66117

Please note deadline for this program is 01/25/2019.

In Learn to Earn, the children learn the principles that govern a person's or group's behavior on the job, including the right and wrong ways to interface with authority and co-workers, and resolve conflicts. They learn practical job skills and how to apply those job skill to produce certain outputs depending upon the business function performed. The children learn the value of self-determination and non-dependency for those things which they can garner themselves. Attendance, punctuality, and accountability for one's behavior and social etiquette are expected. Unbeknownst to the parents, they too learn something about setting and accepting standard for their and their children's behavior and performances.

5. What is carbon monoxide?

EVENTS

Kansas City Roller Warriors

7. How many stock transfers were there at the December meeting?

HELPFUL HINTS ABOUT LIVING IN THE HOMES

BE KIND! IF IT SNOWS DON'T PARK IN A SPOT YOU NORMALLY WOULDN'T. IF A NEIGHBOR TAKES THE TIME TO SHOVEL OUT THE SPACE THEY NORMALLY PARK IN, THEN RESPECT THEIR HARD WOK AND DON'T PARK THERE.

PLUMBING: DO NOT FLUSH FLUSHABLE WIPES. The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains. If maintenance finds these items consistently causing a backup in your pipes you may be charged for the repair.

PARKING: The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. **NEVER PARK IN YARDS OR COMMON GROUND.**

YARDS & PORCHES: Please take the time to clean up/organize your yard and porch. The size of our porches do not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable alternative is to store your items in a deck or patio box. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items. The office offers free paint for your porch railings.

SPEEDING. The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

AUTOMOBILE REPAIR. It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair, then you will have to take your vehicle out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire, you should **NEVER** put your vehicle on a jack in the Homes.

LITTERING. Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$500.00.

KEEP FURNANCE AND WATER HEATER AREAS CLEAN. Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA.**

NOISE. Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level, so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.
