**NEWSLETTER TRIVIA**

We want to encourage all residents to read the newsletter. You will find **10** questions within the newsletter. Write down your answers, along with your name and address. Bring the information to the office. At the monthly board meeting we will randomly choose an answer sheet and if all the answers are correct, that resident will receive \$30 off the next month's HOA fee.

1. What is the maximum fine for littering?

# FALL/FURNACE INSPECTIONS WILL BEGIN ON TUESDAY, SEPTEMBER 13<sup>TH</sup>

**We will be installing carbon monoxide detectors in the kitchen near the utility room. You agree to maintain the carbon monoxide detectors and replace the batteries as necessary for as long as you occupy the unit**

If we do not have a key to your unit, you must provide a key to the office. This is part of the rules and regulations of The Homes, Inc.

If you prefer to be home or if you have a dog, please contact the Office to make arrangements.

As in the past - we will enter your Unit to check:

- **Furnace:**

We ask that your utility room be clean and free of debris. If Maintenance has to move items in the utility room to gain access, you will be charged \$30.

- **Smoke Detectors:**

If you do not have a working smoke detector - we will install one. (Two-story Units require 2 smoke detectors). The charge for this is \$8 per smoke detector and \$2 for batteries.

- **Outside Water:**

All outside water will be turned off. The outside spigot will be left open so the pipes do not freeze during the Winter. **(Please be mindful of this if you turn the water back on.)**

If you turn the water back on and damage is incurred to the plumbing, you will be responsible for damages.

- **Unit Inspection:**

Conduct routine overall interior inspection of your unit.

MINUTES OF THE BOARD OF DIRECTORS  
THE HOMES, INC.  
August 15, 2022

The regular monthly meeting of the Board of Directors of The Homes, Inc. was called to order at 5:30 p.m. on August 15, 2022.

Present were: Frank Moss, Ray Olsen, Jerry DeMeyer and Ronald Bond, Board Members; Elizabeth Bothwell, Manager; Greg Goheen, attorney; and Karen Brokesh, Transcriber. Charles Sawyer was absent.

The meeting was closed to stockholders due to health concerns due to COVID-19. One stockholder attended by videoconference.

It was announced that the work order report for July 2022 has been posted.

Minutes of the regular meeting of July 18, 2022 and July 18, 2022, executive session had previously been distributed to all board members. Jerry DeMeyer moved to approve the minutes as submitted. Seconded by Ron Bond. Carried unanimously.

Treasurer Olsen reported that he has reviewed the financial statement for the month of July, 2022 and found it to be in good order. Ray Olsen moved to approve the financial report. Seconded by Ron Bond. Carried unanimously.

There were no stockholder change request approved by the manager.

There were no stockholder change requests for board approval.

Secretary Bond read the stock transfer approvals as follows:

<b>ADDRESS</b>	<b>TRANSFER FROM</b>	<b>TRANSFER TO</b>
820 Roswell	Virginia Sosa	Virginia Sosa and Beatriz Castillo Sosa
127 Viewcrest	Robert Whittington and Barbara Brown	Robert Whittington and Tarah O'Brien
3116 N. 9 <sup>th</sup> Street	Jermaine Jones	Rebecca Beach
838 Roswell	Beatriz Castillo Sosa	Blanca Alvarez and Julissa Gonzalez-Alvarez

After being informed that the stock transfers were in order, it was moved by Ron Bond and seconded by Ray Olsen that the Corporation waive its option to purchase the shares of stock and approve transfer of same. Carried unanimously. The manager was reminded that all original signed stock certificates must be stored with the credit union if the stockholder has an outstanding loan.

*Reports and Announcements:*

None.

*Old Business to be Discussed:*

The board discussed the possibility of re-opening the board meetings to the public. The number of attendees could be limited if necessary.

The board reviewed the revised move-in packets that include the lease, addendum to lease, types of stockholder change requests fire/smoke alarm agreements, lead paint disclosure, important numbers, yard definition policy, trash pickup and pet policy. The board requested additional modifications to the trash pickup and pet policies. Greg Goheen reviewed and approved the transfer on death form. Ray Olsen moved to approve the

move-in packet as amended. Seconded by Jerry DeMeyer. Carried unanimously.

The area for the first phase of construction for additional parking has been marked by 811 Dig Kansas. The city has approved the permits. The contractor is scheduled to start next week. Letters have been sent out to the stockholders in the area of the construction. Parking will not be allowed in the area for approximately 10 days.

*New Business to be Discussed:*

The board discussed a recent shooting in the neighborhood. The suspect is in custody. Manager plans to talk to the victim about the incident.

Fall furnace inspections will begin in mid-September. The furnace inspections will start at the end of the neighborhood and the fall inspections will begin at the other end of the neighborhood to alleviate the issues with key pulls for the inspection crew.

Manager would like to install carbon monoxide detectors in each unit. The cost of the detectors is \$16.61 per unit for a total cost of \$5,700.00. The detectors would be installed when the fall inspections occur and would be inspected annually. Jerry moved to purchase carbon monoxide detectors for each unit at \$16.61 per unit. Seconded by Ray Olsen. Carried unanimously. The detectors will be included in the smoke alarm and fire extinguisher agreements.

The number of feral cats and kittens in the neighborhood was discussed by the board. A resident is working with a rescue group to build cat enclosures to be used for housing feral cats for 24 hours after they have been trapped and spayed/neutered. This will benefit The Homes since any feral cats that are trapped will be spayed/neutered for free and will have a secure place for after surgery rest before release. The plan is to have the enclosures up and running next month.

Manager reported that the approval time for KERA applications has gotten longer. Approval of an application used to take about one month and now takes two to five months. As a result, residents that have submitted an application might be delinquent for a longer time until they are approved. Nobody that has submitted an application has been denied to date.

*Comments from Directors and Attorney:*

None.

*Comments from Stockholders:*

Elaine Hines comments on the number of cats in the neighborhood and also announced her plan to run for the board in March 2023.

No further business to come before the board the board adjourned into executive session.

## HELPFUL HINTS ABOUT LIVING IN THE HOMES

**KEEP FURNACE AND WATER HEATER AREAS CLEAN.** Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA. CHANGE YOUR FURNACE FILTER ONCE A MONTH. FILTERS ARE FREE AT THE OFFICE.**

**PLUMBING: DO NOT FLUSH FLUSHABLE WIPES.** The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. **Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains.** If maintenance finds these items consistently causing a back-up in your pipes you may be charged for the repair.

**LITTERING.** Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$2500.00. If you are witnessed littering the police will be called and you will be charged, by The Homes, for the time it takes to pick it up and dispose of it.

**PARKING:** The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. If you have vehicles that you do not drive, park it in a overflow lot. **NEVER PARK IN YARDS OR COMMON GROUND.**

**NOISE.** Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.

**YARDS & PORCHES:** Please take the time to clean up/organize your yard and porch. The size of our porches do not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable idea to store your items in are: deck and patio boxes. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: **appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items.** The office offers free paint for the porches.

**ONLY FLUSH TOILET PAPER.** The pipes in our homes are over 60 years old. They do not have the capacity to wash away any other material. Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. If maintenance finds these items consistently causing a back up in your pipes you may be charged for the repair.

**SPEEDING.** The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

**AUTOMOBILE REPAIR.** It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair then you will have to go out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire you should never put your vehicle on a jack in the Homes.

7. What kind of plumbing products does the Homes not install?

## EVENTS

### **07/05 – 09/24/2022 - Fairfax Industrial District: 100th Anniversary Exhibit**

Wyandotte County Historical Society and Museum, 631 N 126<sup>th</sup>, Bonner Springs, KS 66012, (913) 573-5002. [wycmuseum@wycokck.org](mailto:wycmuseum@wycokck.org). Price: free, Time: 9:00 AM to 4:00 PM, Recurrence: Recurring daily. The Fairfax Industrial District 100th Anniversary exhibit highlights the progression of the district alongside personal memories. It includes familiar and untold stories of people, places, and events in the district. This exhibit is designed to help visitors connect with the place where tens-of-thousands of residents have worked over the past 100 years. Many of the objects and stories on display were shared especially for this exhibit. Visitors will see products made in Fairfax together with items employees saved from their time in Fairfax. Visitors can compare maps of the district, find out how long a company was in business, and look through employee newsletters and newspaper articles. It is a great way for families to connect with their past and we encourage visitors to share their memories connected to the district. The Fairfax Industrial District began more than 100 years ago with a vision for the future. In 1922, area property owners signed a petition to form the Fairfax Drainage Board. This move ultimately led to the area becoming one of the first planned industrial district, in the country. Through the 1920s the district became a hub for flight schools and airplane manufactures. It continued to expand with new industries despite the Great Depression. The district became a National Center of the Defense Industry during World War II, housing the North American Aviation of Kansas, B-25 plant and the Darby Corporation, which produced landing crafts, aerial bombs, and more. After the war new companies made the district their home. Since then, the Fairfax Industrial District has grown to house more than 130 companies and is still going strong. A version of this exhibit will also be highlighted at the Fairfax Festival on October 6th, as part of the larger Centennial celebration brought together by the Fairfax Industrial Association.

### **09/03/2022 - Central Avenue Dotteversity Parade**

11th & Central, Kansas City, KS 66102, (913) 281-9222, Free, 11:00 AM. We are a diverse, active and bustling business/residential community!
