Come meet your neighbors and learn more about
Neighborhood Watch

Meeting the first Tuesday of every month at 6:00pm.

When the police put a sticker on your vehicle for a registration or other infraction, they put it in the computer at the same time.

By scratching the sticker off, you do no good. When the date on the sticker arrives, the computer will remind the police – they will come and look for the vehicle and if the infraction is not corrected, you will get a ticket or get towed. It doesn't matter if the sticker is on or off the vehicle.

MINUTES OF THE BOARD OF DIRECTORS
THE HOMES, INC.
June 17, 2019

The regular monthly meeting of the Board of Directors of The Homes, Inc. was called to order at 6:00 p.m. on June 17, 2019.

Present were: Effie Barber, Beatrice Arce, Ray Olsen, Rebecca Westpfahl and Frank Moss, Board Members; Elizabeth Bothwell, Manager; Greg Goheen, Attorney; and Karen Brokesh, Transcriber.

Twenty-one stockholders and residents attended the meeting.

The stockholders and occupants were welcomed to the meeting. All persons in attendance were asked to hold their questions and comments until after the finish of regular business at which time anyone who wishes to speak will be allowed to make a statement.

All attendees to state their name and address so that the minutes can accurately reflect all comments made during the open session. Everyone was asked to hold their comments until executive session or to speak with the manager one-on-one if they did not want their comments reflected in open session.

Stockholders are reminded that if they have a problem with their unit, to please report it to the office during regular business hours.

It was announced that the work order report for May 2019 has been posted.

Minutes of the regular meeting of May 20, 2019 and May 20, 2019 executive session had previously been distributed to all board members. Rebecca Westpfahl moved to approve the minutes as submitted. Seconded by Effie Barber. Carried unanimously.

Treasurer Olsen reported that he has reviewed the financial statement for the month of May, 2019 and found it to be in good order. Ray Olsen moved to approve the financial report. Seconded by Frank Moss. Carried unanimously.

There were no stockholder change requests approved by the manager.

The following stockholder change requests were submitted for board approval:

Gabriel Llave, 870 Manorcrest, to put back wall that separates the bedroom from the living room. Work to be done by self.

Estanislao Hernandez, 840 Manorcrest, to expand deck on front porch by two feet. Work to be done by self.

David Smith, 7 Summitcrest, to build a 16 x 16 deck with hand rail. Work to be done by self.

Effie Barber moved to approve the stockholder change request. Seconded by Ray Olsen. Carried unanimously.

Effie Barber read the stock transfer approvals as follows:

2. What is the speed limit in the Homes?

ADDRESS	TRANSFER FROM	TRANSFER TO
875 Manorcrest	Taylor Gessner and Christopher Gessner	Taylor Gessner and Katlin Scholler
827 Roswell	Maranda Lynn Erives-Able	Craig and Marla Fischer

After being informed that the stock transfers were in order, it was moved by Effie Barber and seconded by Ray Olsen that the Corporation waive its option to purchase the shares of stock and approve transfer of same. Carried unanimously. The manager was reminded that all original signed stock certificates must be stored with the credit union if the stockholder has an outstanding loan.

Reports and Announcements:

The Neighborhood Watch Committee reported on the number of cars that have been towed out of the neighborhood lately by the sheriff and the community police officer.

The winner of the stockholder trivia drawing is Sherry McCool who will receive \$30.00 of next month's maintenance fee.

Old Business to be Discussed:

A lot of the contract work for cement repairs, tree trimming and/or removal and porch replacements have been delayed due to the weather. Now that the weather has improved, the work will begin. Stockholders who are in need of this work are asked to contact the office.

Additional video surveillance cameras are being installed in the neighborhood. If a resident would like footage to be reviewed, a specific time period and date will need to be provided. The cameras will record all movement footage which will create a large amount of footage in a 24 hour period.

New Business to be Discussed:

Manager reported that two units owned by The Homes sold recently.

Tree rings are being installed around the office trees. Tree rings have already been installed at the entrance/exits at N. Allis and N. 9th Street.

Manager has contacted the City to have the storm sewers reviewed and repaired if necessary.

Manager sent a letter to the five cable/internet companies that are used in the neighborhood to have them clean up the downed lines and tighten up lines that are hanging low as needed.

Comments from Directors and Attorney:

None.

Comments from Stockholders:

Sherry Davis asked a question about the rules for mowing lawns.

Anne Windham commented on surveillance camera placement and plumbing repairs

Anna Windham commented on surveillance camera placement and plumbing repairs.

Karen Anver discussed trash in yards and damaged vents in roofs.

Sherry McCool said the newly repainted units look nice.

George Tucker said the newly repainted units look great.

CANINE PARVOVIRUS OUTBREAK IN KCK

Canine Parvovirus

Canine parvovirus is a highly contagious virus that can affect all dogs, but unvaccinated dogs and puppies younger than four months old are the most at risk. Dogs that are ill from canine parvovirus infection are often said to have "parvo." The virus affects dogs' gastrointestinal tracts and is spread by direct dog-to-dog contact and contact with contaminated feces (stool), environments, or people. The virus can also contaminate kennel surfaces, food and water bowls, collars and leashes, and the hands and clothing of people who handle infected dogs. It is resistant to heat, cold, humidity, and drying, and can survive in the environment for long periods of time. Even trace amounts of feces from an infected dog may harbor the virus and infect other dogs that come into the infected environment. The virus is readily transmitted from place to place on the hair or feet of dogs or via contaminated cages, shoes, or other objects.

Signs of parvovirus

Some of the signs of parvovirus include lethargy; loss of appetite; abdominal pain and bloating; fever or low body temperature (hypothermia); vomiting; and severe, often bloody, diarrhea. Persistent vomiting and diarrhea can cause rapid dehydration, and damage to the intestines and immune system can cause septic shock. If your puppy or dog shows any of these signs, you should contact your veterinarian immediately. Most deaths from parvovirus occur within 48 to 72 hours following the onset of clinical signs. If your puppy or dog shows any of these signs, you should contact your veterinarian immediately.

Diagnosis and treatment

Parvovirus infection is often suspected based on the dog's history, physical examination, and laboratory tests. Fecal testing can confirm the diagnosis. No specific drug is available that will kill the virus in infected dogs, and treatment is intended to support the dog's body systems until the dog's immune system can fight off the viral infection. Treatment should be started immediately and consists primarily of intensive care efforts to combat dehydration by replacing electrolyte, protein and fluid losses, controlling vomiting and diarrhea, and preventing secondary infections. Sick dogs should be kept warm and receive good nursing care. When a dog develops parvo, treatment can be very expensive, and the dog may die despite aggressive treatment. Early recognition and aggressive treatment are very important in successful outcomes. With proper treatment, survival rates can approach 90%. Since parvovirus is highly contagious, isolation of infected dogs is necessary to minimize spread of infection. Proper cleaning and disinfection of contaminated kennels and other areas where infected dogs are (or have been) housed is essential to control the spread of parvovirus. The virus is not easily killed, so consult your veterinarian for specific guidance on cleaning and disinfecting agents.

Preventing parvovirus

Vaccination and good hygiene are critical components of prevention.

5. What burns at about 2000 degrees?

Leave Fireworks to the Experts

Summer is synonymous with barbecues, parades and fireworks. The National Safety Council advises everyone to enjoy fireworks at public displays conducted by professionals, and not to use any fireworks at home. They may be legal but they are not safe.

In 2017, eight people died and over 12,000 were injured badly enough to require medical treatment after fireworks-related incidents. Of these, 50% of the injuries were to children and young adults under age 20. Over two-thirds (67%) of injuries took place from June 16 to July 16. And while the majority of these incidents were due to amateurs attempting to use professional-grade, homemade or other illegal fireworks or explosives, an estimated 1,200 injuries were from less powerful devices like small firecrackers and sparklers.

Additionally, fireworks start an average of 18,500 fires each year, including 1,300 structure fires, 300 vehicle fires and nearly 17,000 other fires.

If You Choose to Use Legal Fireworks

If consumer fireworks are legal to buy where you live and you choose to use them, be sure to follow the following safety tips:

- Never allow young children to handle fireworks
- Older children should use them only under close adult supervision
- Never use fireworks while impaired by drugs or alcohol
- Anyone using fireworks or standing nearby should wear protective eyewear
- Never hold lighted fireworks in your hands
- Never light them indoors
- Only use them away from people, houses and flammable material
- Never point or throw fireworks at another person
- Only light one device at a time and maintain a safe distance after lighting
- Never ignite devices in a container
- Do not try to re-light or handle malfunctioning fireworks
- Soak both spent and unused fireworks in water for a few hours before discarding
- Keep a bucket of water nearby to fully extinguish fireworks that don't go off or in case of fire
- Never use illegal fireworks

Better yet, grab a blanket and a patch of lawn, kick back and let the experts handle the fireworks show.

Sparklers Are Dangerous

Every year, young children can be found along parade routes and at festivals with sparklers in hand, but sparklers are a lot more dangerous than most people think.

Sparklers burn at about 2,000 degrees – hot enough to melt some metals. Sparklers can quickly ignite clothing, and children have received severe burns from dropping sparklers on their feet. According to the National Fire Protection Association, sparklers alone account for more than 25% of emergency room visits for fireworks injuries. For children under 5 years of age, sparklers accounted for nearly half of the total estimated injuries. Consider using safer alternatives, such as glow sticks, confetti poppers or colored streamers.

6. What should you never hold in your hand?

HELPFUL HINTS ABOUT LIVING IN THE HOMES

PLUMBING: DO NOT FLUSH FLUSHABLE WIPES. The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains. If maintenance finds these items consistently causing a backup in your pipes you may be charged for the repair.

PARKING: The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. **NEVER PARK IN YARDS OR COMMON GROUND.**

YARDS & PORCHES: Please take the time to clean up/organize your yard and porch. The size of our porches do not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable alternative is to store your items in a deck or patio box. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items. The office offers free paint for your porch railings.

SPEEDING. The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

AUTOMOBILE REPAIR. It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair, then you will have to take your vehicle out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire, you should **NEVER** put your vehicle on a jack in the Homes.

LITTERING. Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$500.00.

KEEP FURNACE AND WATER HEATER AREAS CLEAN. Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA.**

NOISE. Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level, so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.

STICKS AND LIMBS: Place sticks/limbs in 4 foot bundles to the curbside for pickup by maintenance.

GRASS RULE OF THE HOMES AND WYANDOTTE COUNTY: GRASS HEIGHT CAN'T BE MORE THAN 8 INCHES TALL

Attention

The streets of this neighborhood are very dangerous. The children are outside unsupervised. We want to ask parents to keep an eye on their children when they're playing outside to prevent accidents. Remember, we have playgrounds for the kids. Thank you for your attention people from the neighborhood.

Atención

Las calles de este vecindario son muy peligrosas. Los niños están afuera sin supervisión. Queremos pedirles a los padres que vigilen a sus hijos cuando están jugando afuera para prevenir accidentes. Recuerda que tenemos patios de recreo para los niños. Gracias por su atención gente del vecindario.
