HELPFUL HINTS ABOUT LIVING IN THE HOMES

KEEP FURNACE AND WATER HEATER AREAS CLEAN. Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA. CHANGE YOUR FURNACE FILTER ONCE A MONTH. FILTERS ARE FREE AT THE OFFICE.**

PLUMBING: DO NOT FLUSH FLUSHABLE WIPES. The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. **Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains.** If maintenance finds these items consistently causing a back-up in your pipes you may be charged for the repair.

LITTERING. Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$2500.00. If you are witnessed littering the police will be called and you will be charged, by The Homes, for the time it takes to pick it up and dispose of it.

PARKING: The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. If you have vehicles that you do not drive, park it in an overflow lot. **NEVER PARK IN YARDS OR COMMON GROUND. IT COULD RESULT IN A FINE OF \$250.00**

NOISE. Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level, so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.

YARDS & PORCHES: Please take the time to clean up/organize your yard and porch. The size of our porches does not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable idea to store your items in are deck and patio boxes. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: **appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items.** The office offers free paint for the porches.

SPEEDING. The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

AUTOMOBILE REPAIR. It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair, then you will have to go out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire you should never put your vehicle on a jack in the Homes. **IT COULD RESULT IN A FINE OF \$250.00**

TRASH. Do not put your trash to the curb before 4:30 pm the day before pickup. Do not put your trash in your neighbor's trash bins.
